

At Speen Church Of England School we believe **Physical Education and school sport play an important role in making our motto of ‘Seek Believe Achieve’ a reality for every pupil, with the potential to change young people’s lives for the better.**

Through PE and sport our children learn to develop the important qualities of discipline, resilience, communication, team work and ambition, leading to improved concentration, attitude, and academic achievement. The grant has been used to enhance provision for Foundation Stage and Key Stage One. The children have opportunities to take responsibility for their own healthy lifestyle when using the outdoor spaces at break and lunchtimes. Extensive large and small play equipment is available for all year groups and the varied geography of the school grounds is used in wide-ranging opportunities for outdoor learning across the curriculum. National and international sporting events stimulate learning across the curriculum e.g. Olympic values in PSHE, geography and technology in world cup competitions.

Department for Education Vision for the Primary PE and Sport Premium

Vision: ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Objective: To achieve self-sustaining improvement in the quality of PE and sport in primary schools against 5 key indicators:

1. *the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles*
2. *the profile of PE and sport being raised across the school as a tool for whole school improvement*
3. *increased confidence, knowledge and skills of all staff in teaching PE and sport*
4. *broader experience of a range of sports and activities offered to all pupils*
5. *increased participation in competitive sport*
