

PARENT QUOTES

It is a wonderful, small village school and I feel extremely lucky that this was my child's first experience of school

Couldn't have chosen a better school for the most cherished people in our life

I love that Speen is a Church of England School - faith is important to me.

We loved the Forest school and the outdoors space that the school has. It's perfect for energetic young children in addition to the rural location of the school.

The staff are great - from our initial enquiry to our son starting at school we have been impressed with how our enquiries have been dealt with and how our son has been treated.

We love the facilities- classrooms are bright and spacious areas for learning. Other areas are very well maintained. The school looks very well cared for and in good order.

Reputation - we were recommended to Speen school by a friend who is a maths tutor who was impressed with the scheme taught here.

Thank you to all of you for making the start of my son's school career so stress free and for being so understanding and welcoming. You have an amazing school and I know I couldn't have chosen better.

I'm so pleased my child is in Speen school. I did not have this opportunity when I was a child, but I can see how lucky all these kids are to be there. What an amazing start in their lives!!

PUPIL QUOTES

RE is my favourite lesson -
I love the role playing activities
for baptisms, weddings and
Noah's Ark.

My favourite things are topic week,
forest school, RE, Science, writing
and listening to stories.

Teachers are fair and very kind
and we are encouraged to be kind
to others.

I Love the Maths Alien Game
on the whiteboard.

It is the best school
I have been to.

I love learning and writing stories
with Read Write Inc.

I feel very safe at school.

Everyone here at Speen is
friendly and kind.

I loved visiting Speen Baptist Church
and singing to everyone
